OPEN HOUSE

Who should attend? All grade 9 students and their families who are designated to our school for regular or IB programming **and out-of-area students interested in our Digital Pathways program.**

This event will allow for grade 9 students and their families to ease the transition into high school by seeing the building, conversing with students, teachers and administrators and asking questions about our complementary courses.

Tuesday, February 10, 2026
6:00pm – 7:30pm

There will be two repeat presentations by our Principal and Learning Leaders at 6:00pm, and 6:50pm. They will only be about 40 minutes long to allow for time to tour the building and talk to staff and students.

You can use CBE's "Find a School" tool to see if we are your designated school.
